

Just Be Friends

Martin J. Funcell

We keep breaking up, making up breaking up making up
And so you say maybe
We should just be friends

Chorus: (female)

Let's just be friends
Let's just be friends

But, if I see you, I would touch you
We can't just be friends
I would hug you, I would kiss you
We can't just be friends

Let's just be friends
Let's just be friends

Too much emotion too much commotion
We can't just be friends
I would dream of you, I would think of you
We can't just be friends

We keep breaking up, making up breaking up making up
And so you say maybe
We should just be friends

Let's just be friends
Let's just be friends

But, if I see you, I would touch you
We can't just be friends
I would hug you, I would kiss you
We can't just be friends

Let's just be friends
Let's just be friends

Too much emotion too much commotion
We can't just be friends
I would dream of you, I would think of you
We can't just be friends

We keep breaking up, making up breaking up making up
And so you say maybe
We should just be friends

Let's just be friends
Let's just be friends
Let's just be friends
Can't we just be friends
