

TWENTY-TWO BREAKUPS

MARTIN FUNCELL

The make-ups are fun, but the breakups are done
Our battles stung but our love has won
Twenty-Two breakups, Twenty-Two make-ups

We've been through a craze... Oh the fights we waged
Our tempers enraged, now we're engaged
Twenty-Two breakups, Twenty-Two make-ups

Breaking up for you is so easy to do
When we're married divorce can't be so hurried
Split-ups cannot be decided on a lark
We'll honor our vows 'til death due us apart

Our friends will be amazed they'll be in a daze
We're going to get married... together 'til we're buried
Twenty-Two breakups, Twenty-Two make-ups

Our friends don't understand ... neither do we
But our love for each other is no mystery
Twenty-Two breakups, Twenty-Two make-ups

Makeups fun, breakups done
Battles stung love is won
Been a craze...fights waged
Tempers raged, now engaged
Friends amazed in a daze
Getting married... 'til we're buried
Don't understand ... neither do we
But our love for each other
Is no mystery

Now this Spring, you'll be my Bride
My special lady, my joy and pride
The first of May will be our wedding day

Breaking up for you is so easy to do
When we're married divorce can't be so hurried
Split-ups cannot be decided on a lark
We'll honor our vows 'til death due us apart
