

LOVE ADDICTS ANONYMOUS

Martin Funcell

Heard a song about addicted to love
I'm addicted to you
Your under my skin your in my blood
Have no control of what I do

When your happy it's as good as it gets
But then suddenly
You get upset and say let's split
You breakup with me oh so quick

I need help so much
Need help so much

Can't stop thinking of you I need my fix
Being in love with you
A bad habit I just can't kick
My emotions are fried scrambled and mixed

I need help so much
Need help so much

You're bad for me in so many ways
Bad for my work
Bad for my health
Bad for my spirit
Bad for my wealth

Miserable without you stressed out with you
My head tells me logically
We won't work just stay away,
But my heart takes control and has its way
